About KLE

KLE society is a time-tested institution rendering selfless service for more than a century. It has taught, trained, evolved, and nurtured from toddlers to doctorates in the educational ecosystem by embedding cultures in the curriculum. A torch bearer of India's educational spectrum, KLE with 270 plus institutions spread across Karnataka, Maharashtra and Goa has ensured that every individual with a desire to learn irrespective of which strata he or she belongs to in this society has access to the infrastructure of international standards with latest developments in technology and the world.

ABOUT KLE BBA

Bachelor of business administration is an undergraduate program of three years. The degree is designed to teach students the skills necessary for leadership roles in the business and corporate world. It is a globally accepted degree with requisite industry exposure.

BBA at KLE Nagarbhavi is renowned for its activity-based education techniques. Our BBA is designed towards experiential learning which helps in qualitative and quantitative development of students. Our goal has always been very student centric and our approaches are directly proportional to student growth professionally and personally the courses at undergraduate level are credit based nourishing students in developing practical, managerial, communication skills and decision making capabilities by giving exposure through student council, clubs and forums to succeed in the competitive world.

At KLE BBA we believe that dissemination of best knowledge happens by enabling peer-to-peer interaction, faculties as mentors, corporates as excelling guides and experience by industrial visits. Apart from insisting on a university syllabus the college also provides tailor made industry relevant certificate courses for all its students.

BBA
